Report of Independent Auditor

To the Board of Directors Young Men's Christian Association of Greater Richmond Richmond, Virginia

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Young Men's Christian Association of Greater Richmond (the "Association"), which comprise the statement of financial position as of December 31, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association as of December 31, 2023, and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are required to be independent of the Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

1

cbh.com

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud
 or error, and design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Supplemental Information

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 24, 2024, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements, and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

Richmond, Virginia June 24, 2024

December 31, 2023 and 2022

Note 1. Nature of Activities and Significant Accounting Policies

Mission and nature of activities: The mission of the Young Men's Christian Association of Greater Richmond (the "Association") is to put Christian principles into practice through programs that build healthy spirit, mind and body for all. The Association is a not-for-profit charitable organization, which promotes healthy living, youth development and social responsibility throughout the Richmond, Virginia metropolitan area and Petersburg, Virginia.

The significant accounting policies followed by the Association are described below:

Basis of accounting: The accompanying financial statements are presented on the accrual basis of accounting, whereby revenue is recognized when earned and expenses are recognized when incurred. Unconditional public support is recognized when notification of the support is received by the Association.

Basis of presentation: The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The Financial Accounting Standards Board ("FASB") has established the Accounting Standards Codification ("ASC") as the source of authoritative accounting principles to be applied in the preparation of financial statements in accordance with U.S. GAAP. Resources are classified into two net asset categories based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of the Association and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the Association. These net assets may be used at the discretion of the Association's management and Board of Directors. The Association has chosen to provide further classification information about net assets without donor restrictions. The sub classifications are as follows:

Board-Designated – Comprised of funds set aside by the Board of Directors to be used for specific activities within general guidelines established by the Association.

Undesignated – Represents the cumulative net assets without donor restrictions excluding those resources in board-designated.

Net Assets With Donor Restriction – Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Contributions whose restrictions are satisfied in the same reporting period in which the contribution was received are reported as without donor restrictions. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Generally, the donors of these assets permit the Association to use all or part of the income earned on any related investments for operating or specific purposes, such as the Learn To Swim program and staff education.

Donor-imposed restrictions are released when restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both.

Contributions: Contributions and public support are recognized when cash, other assets or an unconditional promise to give is received. Conditional promises to give, that is, those with a measurable performance or other barrier, and a right of return or right of release, are not recognized until the conditions on which they depend have been substantially met. Contributions of assets other than cash are recorded at their estimated fair value.

December 31, 2023 and 2022

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Contributions receivables are carried at net present value less an estimate made for potentially uncollectible accounts based on a review of all outstanding amounts on a regular basis. Management determines the allowance by regularly evaluating individual donor receivables and considering a donor's payment history and current economic conditions. The allowance was \$200,000 at December 31, 2023 and 2022. Contributions receivables are written off when deemed uncollectible. Recoveries of receivables are recorded when received.

The Association reports gifts of cash and other assets as net assets with donor restrictions if they are received with donor stipulations that limit the use or timing of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or a purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions in the statements of activities. All contributions to be received within one year are considered to be available without restriction regarding use unless specifically restricted by the donor. Gifts of property and equipment are reported as without donor-imposed restrictions unless explicit donor stipulations specify how the donated assets must be used.

Government grants: The Association receives grant funding from various federal, state, and local governments to provide a variety of program services to the public based on specific requirements included in the agreement, including eligibility, procurement, reimbursement, curriculum, staffing, and other requirements. These program services range from childcare after school programs, day camp, family programs, and health and welfare related programs. Such Association government grants are nonreciprocal transactions and include conditions stipulated by the government agencies and are, therefore, accounted for as conditional contributions.

Cash received on government grants prior to incurring allowable expenses are recorded as advances upon receipt.

Government grants receivables are recorded in grants receivable. The allowance for doubtful accounts is determined by the age of the balance, historical collection rates, and specific identification of uncollectible accounts. Government grants receivables are written off when deemed uncollectible receivables. Recoveries of receivables are recorded when received.

At December 31, 2023 and 2022, the Association also had unexpended contributions and grants of approximately \$0.6 million and \$2.2 million, respectively, that have not been recognized pending fulfillment of conditions associated with the awards.

Accounting estimates: The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Contributed goods and services: Contributed goods and services are recorded at their fair value if such goods and services create or enhance nonfinancial assets, would have been purchased if not provided by contribution, require specialty skills and are provided by individuals possessing such specialized skills. These contributed goods and services are recorded as contributions and as expense, based on the estimated fair values. A substantial number of volunteers contribute significant amounts of time and services to the Association's program operations, fund raising campaigns and boards and committees of the Association. Such contributed services do not meet the criteria for recognition of contributed services and are not reflected in the accompanying financial statements.

December 31, 2023 and 2022

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Membership and program fees: Membership and program fees are recognized as revenue over the membership or program period. Substantially all the Association's revenue from contracts with customers are from performance obligations satisfied over time. Prices are specific to a distinct performance obligation and do not consist of multiple transactions. Such fees received in advance are recorded as deferred membership and program fees. Annual maintenance fees are non-refundable and are recognized as revenue when received.

Cash and cash equivalents: For purposes of reporting cash flows, the Association considers all highly liquid debt instruments with maturity, when acquired, of three months or less, to be a cash equivalent. Cash and cash equivalents maintained in the investment account until suitable investments are purchased are considered investments.

Investments: Equity securities with readily determinable fair values and all investments in debt securities are reported at fair value. Interest. dividends, realized gains and losses, and unrealized gains and losses are reported in the statement of activities as investment gain (loss). Changes in the fair value of investments carried at fair value are reflected as investment gains or losses in the statement of activities. Investments received by gift are recorded at the fair value on the date received.

Financial risk: The Association places its cash and cash equivalents on deposit with financial institutions in the United States. The Federal Deposit Insurance Corporation (FDIC) covers \$250,000 for substantially all depository accounts. The Association from time to time may have amounts on deposit in excess of the insured limits. The Association had \$7,266,051 and \$12,528,642 in deposits that exceeded these insured amounts as of December 31, 2023 and 2022, respectively. The Association has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and temporary cash investments.

The Association invests in a professionally managed portfolio that contains various securities. Such investments are exposed to various risks such as interest rate, market and credit. Due to the level of risk associated with such investments, and the uncertainty related to changes in the value of such investments, it is at least reasonably possible that changes in risks in the near term would materially affect investment balances and the amounts reported in the financial statements.

Land, buildings, and equipment: Land, buildings, and equipment are stated at cost. Depreciation is computed using the straight-line method over the following estimated useful lives:

V----

	rears
Parking lots	5 – 20
Buildings and land improvements	15 – 39
Other recreational facilities	10 - 20
Furniture, equipment and vehicles	3 – 15

Total depreciation expense for the years ended December, 31, 2023 and 2022 was \$3,954,602 and \$3,477,376, respectively.

Valuation of long-lived assets: Long-lived assets, such as buildings and equipment, are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If the carrying amount of an asset exceeds its estimated future cash flows, an impairment charge is recognized by the amount by which the carrying amount of the asset exceeds the fair value of the asset. Assets to be disposed of would be separately presented in the accompanying statements of financial position and reported at the lower of the carrying amount or fair value less costs to sell.

December 31, 2023 and 2022

Note 1. Nature of Activities and Significant Accounting Policies (Continued)

Functional expenses: The costs of providing program and other activities have been summarized on a functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by functions. Accordingly, certain costs have been allocated among program services and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

Expense
Salaries and Wages, Employee Benefits,
Payroll Taxes and Workers' Compensation

Occupancy and Depreciation

Method of Allocation
Time and effort

Square footage

Income taxes: The Association has been recognized by the Internal Revenue Service as tax exempt under Section 501(c)(3) of the Internal Revenue Code. In addition, the Association qualifies for charitable contribution deductions under Section 170(b)(1)(A)(vi) and has been classified as an organization that is not a private foundation under Section 509(a)(1). As a nonprofit organization, the Association is subject to unrelated business income tax (UBIT), if applicable. The Association did not have any unrelated business income for the years ended December 31, 2023 and 2022.

Management evaluated the Association's positions and concluded that the Association had taken no uncertain tax positions that require adjustment to the financial statements to comply with the accounting standard on accounting for uncertainty in income taxes. The Association files an informational Form 990 in the U.S. federal jurisdiction.

Advertising: Advertising costs are expensed as incurred and totaled \$759,104 and \$671,413, respectively, for the years ended December 31, 2023 and 2022.

Assets held for sale: Property and equipment, consisting of land and buildings, have been classified as assets held for sale by the Association as of December 31, 2022. As of December 31, 2021, the Association held land and 4 properties with an intention to sell each in 2022. During 2022, a portion of the land and 2 properties were sold. The Association sold the remaining land and 2 properties in 2023. Assets classified as held for sale were recorded at the lower of carrying value and fair value less estimated costs to sell. Fair value was determined based on third party appraisals completed in 2021. All negotiations for the buildings and land are for sales prices in excess of the carrying amount.

For the years ended December 31, 2023 and 2022, the Association recorded a gain on disposal of property of \$0.7 million and \$3.2 million, respectively, associated with assets that were previously classified as held for sale.

Notes Receivables: Notes receivable represent funds advanced to other organizations and are stated at unpaid principal balances, less an allowance for loan losses. The amount of the allowance is based on management's evaluation of the collectability of the receivables, including past experience, adverse situations that may affect the borrower's ability to repay, and current economic conditions. Management has determined an allowance for loan losses is not necessary as of December 31, 2023.

Recent accounting pronouncements: In June 2016, the FASB issued ASU 2016-13, *Financial Instruments – Credit Losses* (ASC 326) to replace the incurred loss impairment methodology. The CECL model requires an entity to measure credit losses using historical information, current information and reasonable and supportable forecasts of future events, rather than the incurred loss impairment model required under previous U.S. GAAP. The Association adopted the standard effective January 1, 2023. The adoption of this guidance did not have a material impact on the financial statements.

December 31, 2023 and 2022

Note 2. Liquidity and Availability

The table below represents financial assets available for general expenditures within one year at December 31, 2023 and 2022:

Financial assets at year-end:

	 2023	 2022
Cash and cash equivalents	\$ 7,234,992	\$ 12,540,196
Notes receivables	1,650,000	-
Other receivables	177,961	254,015
Contributions receivable, net	1,818,068	2,788,046
Investments	21,236,363	21,554,004
Total financial assets at year-end	 32,117,384	 37,136,261
Less amounts not available to be used for general expenditures within one year:		
Board-designated endowment, net of annual spending rate	2,206,769	2,026,047
Board-designated reserves for operating, bond repayment, and capital projects	12,057,000	14,727,000
Restricted by donors for capital projects	6,723,975	6,321,477
Operating pledges subject to timing restrictions	58,129	86,558
Cumulative earnings on endowment, net of annual spending rate	1,949,880	1,516,050
Portion of donor-restricted endowment to be retained in perpetuity	 3,271,758	 3,148,530
Financial assets not available to be used within one year	 26,267,511	27,825,662
Financial assets available to meet general expenditures within one year	\$ 5,849,873	\$ 9,310,599

The Association has certain board-designated and donor-restricted assets limited to use which are available for general expenditure within one year in the normal course of operations. Accordingly, these assets have been included in the quantitative information above for financial assets to meet general expenditures within one year. The Association considers general expenditures to include program expenses, supporting services, and any commitments or liabilities to be paid in the subsequent year.

The Board has designated a portion of its net assets without donor restrictions for strategic opportunities, debt service, capital reinvestment and contingencies. These remain available and may be spent at the discretion of the Board. The Board has also designated funds to be invested long-term as part of the association's endowment. Although management does not intend to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of the Board's annual budget approval and appropriation) these amounts could be made available if necessary. These assets, limited to use, are more fully described in Note 12 and Note 13.

Per its Fiscal Management Policy, the Association operates annually on a balanced budget, where donor contributions, membership and program fees, and investment income equal its operating expenses. The Association has established and maintains funds to adhere to its external debt covenants, support its capital needs, and provide for contingencies in support of its Mission. These funds and its operating performance are reviewed on a monthly basis by Association management and its Fiscal Management Committee.

December 31, 2023 and 2022

Note 3. Contributions Receivable

Anticipated collections of contributions receivable at December 31, 2023 and 2022 are as follows:

	 2023	 2022
Within one year	\$ 1,262,652	\$ 1,613,273
One to five years	932,939	 1,655,361
	2,195,591	3,268,634
Less		
Discounts for the time-value of money at 8.5% in 2023 and 6.75% in 2022	(177,523)	(280,588)
Allowance for uncollectible contributions receivable	(200,000)	 (200,000)
	\$ 1,818,068	\$ 2,788,046

Included in the balances above are amounts of \$393,160 and \$569,554 at December 31, 2023 and 2022, respectively, which are due from members of the Board of Directors and members of management. For the years ended December 31, 2023 and 2022, there were \$105,703 and \$124,311, respectively, in gift revenues from those directors and members.

Note 4. Investments

Investments are composed of the following at December 31, 2023 and 2022:

		2023				
	Cost			Fair Value		
U.S. Treasury and Government Obligations	\$	9,005,588	\$	8,950,493		
Common stocks		4,920,365		5,668,351		
Corporate bonds		2,956,771		2,893,952		
Other equity securities		586,912		607,300		
Cash and cash equivalents		2,450,943		2,450,943		
Cash surrender value of life insurance		348,583		665,324		
	\$	20,269,162	\$	21,236,363		

	2022			
	Cost			Fair Value
U.S. Treasury and Government Obligations	\$	12,525,221	\$	12,576,287
Common stocks		4,440,606		4,531,442
Corporate bonds		2,751,999		2,508,287
Other equity securities		742,854		749,087
Cash and cash equivalents		621,827		621,827
Cash surrender value of life insurance		335,583		567,074
	\$	21,418,090	\$	21,554,004

Note 4. Investments (Continued)

Components of return on investments for the years ended December 31, 2023 and 2022 consist of the following:

	 2023	 2022
Realized loss	\$ (10,525)	\$ (44,105)
Unrealized gain (loss)	938,847	(1,809,269)
Investment income	975,139	450,309
Investment fees	 (52,231)	(53,208)
	\$ 1,851,230	\$ (1,456,273)

Note 5. Fair Value Measurements

The Association uses fair value measurements to record fair value adjustments to certain assets and liabilities and to determine fair value disclosures. In accordance with the Fair Value Measurement Topic of the ASC, the fair value of a financial instrument is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability.

The three levels of the fair value hierarchy are described below:

- Level 1 Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. The types of investments included in Level 1 include listed equities and listed derivatives. As required, the Association does not adjust the quoted price for these investments, even in situations where the Association holds a large position and a sale could reasonably impact the quoted price.
- Level 2 Inputs other than quoted prices within Level 1 that are observable for the asset or liability, either directly or indirectly, and fair value is determined through the use of models or other valuation methodologies. Investments which are generally included in this category include certain corporate bonds and loans, less liquid and restricted equity securities and certain over-the-counter derivatives. A significant adjustment to a Level 2 input could result in the Level 2 measurement becoming a Level 3 measurement.
- Level 3 Inputs are unobservable for the asset or liability and include situations where there is little, if any, market activity for the asset or liability. The inputs into the determination of fair value are based upon the best information in the circumstances and may require significant management judgment or estimation. Investments that are included in this category generally include equity and debt positions in private companies and general and limited partnership interests in corporate private equity and real estate funds, debt funds, and distressed debt.

In certain cases, the inputs used to measure fair value may fall into different levels of the fair value hierarchy. In such cases, an investment's level within the fair value hierarchy is based on the lowest level of input that is significant to the fair value measurement. The Association's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment and considers factors specific to the investment.

In determining the appropriate levels, the Association performs a detailed analysis of the assets and liabilities that are subject to fair value measurements.

Note 5. Fair Value Measurements (Continued)

Publicly traded securities, both equity and debt securities, and U.S. Treasury and government obligations and are classified as Level 1 instruments because they comprise assets traded on public exchanges with readily determinable fair values and observable market-based inputs.

Cash values of life insurance policies are presented at fair value based on the amount available in cash upon cancellation of the insurance policy before maturity as of the reporting period. The fair value is determined by the insurer and represents the exit price from the perspective of the Association. However, since the valuation is considered unobservable, the cash surrender value calculation is considered a Level 3 input.

The following tables summarize, by level within the fair value hierarchy, the assets and liabilities measured at fair value on a recurring basis as of December 31, 2023 and 2022:

		Fair Value Measurements Using				9	
Description	Total	Quoted Prices in Active Markets for Identical Assets (Level 1)		s in Significant ets Other		Un	ignificant observable Inputs (Level 3)
2023							
Assets							
U.S. Treasury and Government Obligations	\$ 8,950,493	\$	8,950,493	\$	-	\$	-
Common stocks	5,668,351		5,668,351		-		-
Corporate bonds	2,893,952		2,893,952		-		-
Cash and cash equivalents	2,450,943		2,450,943		-		-
Other equity securities	607,300		607,300		-		-
Cash surrender value of life insurance	665,324		-		-		665,324
	\$ 21,236,363	\$	20,571,039	\$	-	\$	665,324
2022							
Assets							
U.S. Treasury and Government Obligations	\$ 12,576,287	\$	12,576,287	\$	-	\$	-
Common stocks	4,531,442		4,531,442		-		-
Corporate bonds	2,508,287		2,508,287		-		-
Cash and cash equivalents	621,827		621,827		-		
Other equity securities	749,087		749,087		-		-
Cash surrender value of life insurance	567,074		-		-		567,074
	\$ 21,554,004	\$	20,986,930	\$	-	\$	567,074

The following is a reconciliation of the beginning and ending balances of assets measured at fair value on a recurring basis using significant unobservable (Level 3) inputs during the years ended December 31, 2023 and 2022:

Balance, January 1
Increase (decrease) in cash surrender value
Balance, December 31

of Life insurance						
	2023		2022			
\$	567,074	\$	692,113			
	98,250		(125,039)			
\$	665,324	\$	567,074			

Cash Surrender Value

December 31, 2023 and 2022

Note 6. Land, Buildings, and Equipment

Land, buildings, and equipment as of December 31, 2023 and 2022, consist of the following:

	 2023	2022
Land	\$ 5,561,033	\$ 5,900,714
Parking lots	2,150,418	2,146,382
Buildings and land improvements	112,744,935	111,473,533
Other recreational facilities	1,797,121	1,797,121
Furniture, equipment and vehicles	13,558,438	11,673,228
Construction in progress	 9,585,029	2,549,996
	145,396,974	135,540,974
Less accumulated depreciation, including amortization	 (58,771,191)	(55,689,878)
	\$ 86,625,783	\$ 79,851,096

Included in construction in progress above are amounts of \$105,683 and \$374,665 at December 31, 2023 and 2022, respectively, which are accrued in accounts payable and accrued expenses.

As more fully described in Note 1, certain assets were classified as held for sale by the Association as of December 31, 2022.

Note 7. Leases

The Association leases certain facilities and fitness and other equipment. The Association determines whether a contract contains a lease at inception by determining if the contract conveys the right to control the use of identified property, plant or equipment for a period of time in exchange for consideration. The Association has lease agreements with lease and non-lease components, which are generally accounted for separately with amounts allocated to the lease and non-lease components based on relative stand-alone prices.

Right-of-use ("ROU") assets and lease liabilities are recognized at the commencement date based on the present value of the future minimum lease payments over the lease term. Renewal and termination clauses that are factored into the determination of the lease term if it is reasonably certain that these options would be exercised by the Association. Lease assets are amortized over the lease term unless there is a transfer of title or purchase option reasonably certain of exercise, in which case the asset life is used. Certain of our lease agreements include variable payments. Variable lease payments not dependent on an index or rate primarily consist of maintenance charges and are not included in the calculation of the ROU asset and lease liability and are expensed as incurred. In order to determine the present value of lease payments, the Association uses the implicit rate when it is readily determinable. As most of the Association's leases do not provide an implicit rate, management uses the Association's incremental borrowing rate based on the information available at lease commencement to determine the present value of lease payments.

The Association's lease agreements do not contain any material residual value guarantees or material restrictive covenants. The Association does not have leases where it is involved with the construction or design of an underlying asset. As of December 31, 2023, the Association has an additional operating lease that has not yet commenced of \$5,939,406. This operating lease is projected to commence in 2025 with a lease term of 15 years. The Association does not have any material sublease activities.

December 31, 2023 and 2022

Note 7. Leases (Continued)

Practical Expedients Elected

- The Association elected the three transition practical expedients that permit an entity to (a) not reassess
 whether expired or existing contracts contain leases, (b) not reassess lease classification for existing or
 expired leases, and (c) not consider whether previously capitalized initial direct costs would be appropriate
 under the new standard.
- The Association has elected the practical expedient not to recognize leases with terms of 12 months or less on the balance sheet and instead recognize the lease payments on a straight-line basis over the term of the lease and variable lease payments in the period in which the obligation for the payments is incurred. Therefore, short-term lease expense for the period does not reflect ongoing short-term lease commitments. Lease expense for such short-term leases was not material for the years ended December 31, 2023 and 2022.
- The Association has elected to utilize the risk-free discount rate to calculate lease assets and liabilities.

Classification of right-of-use assets and lease liabilities as of December 31, 2023 and 2022 is as follows:

Leases	Statement of Financial Position Classification	2023	2022
Assets:			
Operating right-of-use assets	Operating lease assets, net	\$ 2,854,027	\$ 2,012,583
Finance right-of-use assets	Land, buildings, and equipment, net	86,820	 40,217
Total lease assets		\$ 2,940,847	\$ 2,052,800
Liabilities:			
Operating lease liabilities	Operating lease liabilities	\$ 3,099,867	\$ 2,286,725
Finance lease liabilities	Debt	 86,969	 41,537
Total lease liabilities		\$ 3,186,836	\$ 2,328,262

Future minimum lease payments as of December 31, 2023 is as follows:

Maturities of lease liabilities:

Years Ending December 31:	Operating	Finance		
2024	\$ 694,751	\$	27,487	
2025	576,747		24,521	
2026	473,707		21,554	
2027	487,816		9,810	
2028	502,334		9,000	
Therafter	 639,835		-	
Total lease payments	3,375,190		92,372	
Less interest	(275,323)		(5,403)	
Present value of lease liabilities	\$ 3,099,867	\$	86,969	

December 31, 2023 and 2022

Note 7. Leases (Continued)

Required supplemental information relating to our leases for the years ended December 31, 2023 and 2022 is as follows:

Year ending December 31 2		2023	2022
Operating:			
Operating leases, included in operating expenses	\$	991,148	\$ 826,427
Short-term leases, included in operating expenses		171,010	241,424
Finance:			
Amortization of assets, included in depreciation and amortization		17,207	10,054
Interest, included in interest expense		2,366	1,427
Operating and finance lease cost	\$	1,181,731	\$ 1,079,332
Cash flow information:			
Cash paid for amounts included in measurement of lease liabilities:			
Operating cash flows from operating leases	\$	1,023,919	\$ 878,089
Operating cash flows from finance leases		1,489	-
Financing cash flows from finance leases		9,850	10,935
Lease assets obtained in exchange for lease liabilities:			
Operating leases		1,800,447	221,990
Lease term and discount rate: (in years)			
Weighted average remaining lease term – Operating leases		5.8	4.2
Weighted average remaining lease term – Financing leases		4.1	4.0
Weighted average discount rate – Operating leases		2.7%	1.4%
Weighted average discount rate – Financing leases		3.8%	3.5%

Note 8. Debt

At December 31, 2023 and 2022, long-term debt consisted of the following:

	2023	 2022
Note payable pursuant to loan agreement with the Economic Development Authority of the Town of Ashland, Virginia, dated May 2, 2016	\$ 15,172,754	\$ 16,155,304
Note payable pursuant to loan agreement with the Virginia Small Business Financing Authority		
dated December 1, 2019	14,406,209	15,189,703
Note payable to TowneBank	-	295,832
Finance lease obligations	86,969	43,484
	29,665,932	 31,684,323
Less unamortized bond issuance costs	(120,525)	 (129,464)
	\$ 29,545,407	\$ 31,554,859

December 31, 2023 and 2022

Note 8. Debt (Continued)

Note payable pursuant to loan agreement with the Economic Development Authority of the Town of Ashland, Virginia, dated May 2, 2016: The Association entered into a transaction with TowneBank and the Economic Development Authority ("EDA") of the Town of Ashland, Virginia in which the EDA issued its Health and Community Services Facilities Revenue and Refunding Bond ("2016 Bond") in the amount of \$20,726,690, to TowneBank ("Bank"). The Bank loaned the 2016 Bond proceeds to the EDA and the EDA in turn loaned the proceeds to the Association. The Association used the 2016 Bond proceeds to refund outstanding 2010 Bonds and to pay related bond issuance costs. The Association's obligations regarding the 2016 Bond are evidenced by a bond purchase and loan agreement between the Association, the EDA and the Bank and an unsecured note in the principal amount of the 2016 Bond.

The EDA assigned the unsecured note, and all principal and interest payments to be made pursuant thereto, to the Bank (except for certain fees and expenses of the EDA). Interest on the 2016 Bonds is excludable from gross income for federal income tax purposes pursuant to the Internal Revenue Code of 1986, as amended.

Proceeds of the 2016 Bonds were applied as follows:

Refund note payable pursuant to loan agreement with the Economic

Development Authority of the Town of Ashland, Virginia,
dated November 23, 2010

Issuance costs

98,690
\$20,726,690

Special covenants of the 2016 Bonds provide for an adjustment to the stated interest rate of the Bond in the event of an increase or decrease in the current maximum Federal corporate tax rate. The Yield Protection Provisions establish that such an adjustment will be made in order for TowneBank to maintain the same after-tax yield on the Bond as provided on the date of issuance.

With the approval of the Tax Cuts and Jobs Act, the maximum Federal corporate tax rate decreased from 35% to 31%, effective January 1, 2018. As a result of such decrease and in accordance with the terms of the Bond, effective May 1, 2018, the interest on the Bond increased to 2.64% from 2.18% as of December 31, 2017. The interest rate otherwise borne by the Bond shall be adjusted automatically as of the effective date of each change in the maximum Federal corporate tax rate.

In response to the COVID pandemic, the Bank agreed to a deferral of one quarterly principal payment of \$233,270 in 2021 and one quarterly principal and interest payment of \$349,751, of which \$120,251 of deferred interest was added to principal in 2020. Any remaining balance will be paid at the maturity of the note of December 1, 2036.

The Bank and the Association agreed to an amortization schedule that provides for quarterly principal payments.

December 31, 2023 and 2022

Note 8. Debt (Continued)

Note payable pursuant to loan agreement with the Virginia Small Business Financing Authority, dated December 1, 2019: The Association entered into a transaction with TowneBank and the Virginia Small Business Financing Authority ("VSBFA") in which the VSBFA issued its Health and Community Services Facilities Revenue and Refunding Bond (2019 Bond) in the amount of \$17,400,000, to TowneBank ("Bank"). The Bank loaned the 2019 Bond proceeds to the VSBFA and the VSBFA in turn loaned the proceeds to the Association. The Association used the 2019 Bond proceeds to refund outstanding credit facilities and to pay related bond issuance costs. The remaining proceeds are being used to fund the renovation and expansion of Association facilities, including Manchester, Swift Creek, and Petersburg. The Association's obligations regarding the 2019 Bond are evidenced by a bond purchase and loan agreement between the Association, the VSBFA and the Bank and an unsecured note in the principal amount of the 2019 Bond.

The VSBFA assigned the unsecured note, and all principal and interest payments to be made pursuant thereto, to the Bank. Interest on the 2019 Bonds is excludable from gross income for federal income tax purposes pursuant to the Internal Revenue Code of 1986, as amended.

Proceeds of the 2019 Bond were applied as follows:

Refund non-revolving note payable pursuant to pledge loan agreement with Capital One,	
dated December 19, 2017	\$ 1,346,791
Refund non-revolving line of credit pursuant to loan agreement with Capital One,	
dated December 19, 2017	3,000,521
Refund non-revolving note payable pursuant to loan agreement with TowneBank	
dated December 19, 2018	1,450,550
Refund revolving line of credit pursuant to loan agreement with Capital One,	
dated July 23, 2018	749,574
Deposit to project fund to be used for facility development projects	10,764,184
Issuance costs	88,380
	\$ 17,400,000

In response to the COVID pandemic, the Bank agreed to a deferral of one quarterly principal payment of \$286,748 in 2021 and three-monthly interest payments totaling \$106,140 in 2020. The 2020 deferred interest was added to principal.

The 2019 Bonds have a revised scheduled maturity of March 1, 2039 and bear a fixed interest rate of 2.44% through December 1, 2033. The interest rate will reset to an agreed upon variable rate or fixed rate for the remainder of the term. The Bank and the Association agreed to an amortization schedule that provides for quarterly principal payments beginning in 2021.

December 31, 2023 and 2022

Note 8. Debt (Continued)

Notes payable to TowneBank: In 2016, the Association borrowed \$1,748,747 to consolidate notes payable to Wells Fargo Bank used to finance capital improvements to a branch facility into a single note payable to TowneBank ("Bank"). The note payable was unsecured, beard a fixed interest rate of 3.19% and was payable in monthly installments through December 1, 2023. In the event of prepayment or acceleration of amounts due, the note provided for potential additional compensation to the lending institution.

In response to the COVID pandemic, the Bank agreed to a deferral of three-monthly principal payments totaling \$70,341 in 2021 and three-monthly principal and interest payments of \$75,885 in 2020. Also, in 2020, the \$7,023 of deferred interest was added to principal.

This note was retired upon maturity in December 2023.

The Association loan agreements contain various restrictive covenants, including limitations on additional indebtedness, the ability to encumber assets and revenues, and the maintenance of a minimum debt service coverage ratio. In addition, the loan agreements require the Association to deliver audited financial statements to the lending institutions within 180 days of the Association's year-end.

At December 31, 2023, long-term debt matures as follows:

Years Ending December 31:

2024	\$ 1,831,927
2025	1,871,657
2026	1,912,364
2027	1,944,790
2028	1,989,139
Thereafter	20,116,055
	29,665,932
Less unamortized bond issuance costs	 (120,525)
	\$ 29,545,407

Total interest expense incurred was \$793,475 in 2023 and \$836,239 in 2022. In 2023 and 2022, interest expense of \$6,092 and \$85,874, respectively, was capitalized.

Note 9. Paycheck Protection Program Loan

On March 29, 2021, the YMCA was granted a loan (the "Loan") from TowneBank in the aggregate amount of \$5,377,606, pursuant to the Paycheck Protection Program ("PPP") under Division A, Title I of the CARES Act, which was enacted March 27, 2020.

The Loan, which was in the form of a Note dated March 29, 2021, issued by TowneBank, was set to mature on March 29, 2026 and bared interest at a rate of 1.00% per annum. The Note could have been repaid by the YMCA at any time prior to maturity with no prepayment penalties. Funds from the Loan could have been used for payroll costs, costs used to continue group health care benefits, mortgage payments, rent, and utilities incurred before September 12, 2021. The YMCA used the entire Loan amount for qualifying expenses.

Under the terms of the PPP, certain amounts of the Loan may be forgiven if they are used for qualifying expenses as described in the CARES Act.

December 31, 2023 and 2022

Note 9. Paycheck Protection Program Loan (Continued)

As of December 31, 2021, the YMCA accounted for the Loan as a financial liability under ASC 470, *Debt.* In February 2022, the Small Business Administration formally provided full forgiveness of the PPP loan amount of \$5,377,606. Once forgiveness of the loan was approved, the YMCA was legally released from being the primary obligor, at that point the YMCA recorded revenue in connection with the forgiven PPP loan. The loan program's expenditures and results were subject to review and acceptance by the Small Business Administration.

Note 10. Commitments and Contingencies

Construction contracts: The Board of Directors approved the construction of the renovation of the Tuckahoe branch location in 2022. The Association has entered into contracts for construction services for this location. The estimated construction costs of the facilities are approximately \$9.2 million. The estimated construction costs currently under contract are \$8,275,828 of which \$7,922,927 has been paid as of December 31, 2023.

Pension plan: The Association participates in the YMCA Retirement Fund Retirement Plan which is a defined contribution, money purchase, church plan that is intended to satisfy the qualification requirements of Section 401(a) of the Internal Revenue Code of 1986, as amended and The YMCA Retirement Fund Tax-Deferred Savings Plan which is a retirement income account plan as defined in section 403(b)(9) of the code. Both Plans are sponsored by The Young Men's Christian Association Retirement Fund (Fund). The Fund is a not-for-profit, tax-exempt pension fund incorporated in the State of New York (1922) organized and operated for the purpose of providing retirement and other benefits for employees of YMCAs throughout the United States. The plans are operated as church pension plans. Participation is available to all duly organized and reorganized YMCAs and their eligible employees. As a defined contribution plan, the Retirement Plan and Tax-Deferred Savings Plan have no unfunded benefit obligations.

In accordance with our agreement, contributions for the YMCA Retirement Fund Retirement Plan are a percentage of the participating employees' salary. These amounts are paid by the Association, and contributions to the Fund are historically 12% of covered employees' annual salaries. Contributions to the Fund were 12% in 2023 and 2022. The total expense to the Association was \$1,450,339 and \$1,370,169 in 2023 and 2022, respectively.

Contributions to the YMCA Retirement Fund Tax-Deferred Savings Plan are withheld from employees' salaries and remitted to the YMCA Retirement Fund. There is no matching employer contribution to this plan.

Note 11. Related Parties

The Association conducts business with financial institutions and other service providers throughout the Richmond and Petersburg areas. Certain members of the Association's Board of Directors, volunteers, and donors are employed by such entities. See Note 3 for additional disclosure on contributions receivable from board members.

December 31, 2023 and 2022

Note 12. Board-Designated Net Assets

Certain net assets without donor restrictions at December 31, 2023 and 2022 have been designated by the Board of Directors for the following purposes:

		2023	 2022
Capital Reinvestment Fund	\$	2,280,000	\$ 2,471,000
Debt Service Fund		3,513,000	4,698,000
Contingency Fund		4,000,000	4,000,000
Opportunity Fund		2,264,000	3,558,000
Endowment Funds		2,288,750	2,104,306
Total board-designated net assets	<u>\$</u>	14,345,750	\$ 16,831,306

The purpose of the capital reinvestment fund is to provide funds for major repairs of the Association's facilities. The fund is utilized for individual expenditures exceeding \$10,000, and maintains a minimum balance of \$1 million.

The purpose of the debt service fund is to provide funds to service the Association's debt obligations, facility and equipment leases, and other related financing costs. The goal of the fund is to accumulate and maintain an amount commensurate with annual principal and interest payments as well as payments under facility and equipment leases.

The contingency fund was established by the Association to provide resources to fund major emergency or short-term cash flow needs for unanticipated events that would necessitate the use of reserves to continue the operations and mission of the Association. The goal of the fund is to maintain a balance of \$1 million which approximates one payroll. In 2021, the Board approved the establishment of a \$3 million Pandemic fund as it relates to the ongoing effects of the COVID-19 pandemic. As a result, the contingency fund balance is \$4 million as of December 31, 2023 and 2022.

The opportunity fund was established by the Association to accumulate savings from operations to fund specifically identified purchases, and to provide the Association with flexibility to finance purchases of long-term assets to support branch operations. The fund does not maintain a minimum balance requirement.

The board-designated quasi endowment was established by the Board of Directors and its purpose and use are more fully explained in Note 14.

December 31, 2023 and 2022

Note 13. Net Assets with Donor Restriction

	 2023	2022
Subject to purpose restriction: Capital projects	\$ 7,186,539	\$ 6,773,789
Total subject to purpose restriction	 7,186,539	6,773,789
Subject to time restriction: Operating contributions for future periods	 1,124,237	 1,913,702
Total subject to the passage of time	1,124,237	1,913,702
Endowments:		
Cumulative earnings on endowment funds	2,157,264	1,715,035
Volunteer and employee training	62,508	60,508
Human Opportunity Program Endowment (H.O.P.E)	300,000	300,000
Art education program	3,000	3,000
Northside youth program	1,666,727	1,656,727
Learn To Swim program	66,980	66,980
Financial assistance	207,075	204,060
General purposes	744,178	638,282
Youth and Teen programs	 221,290	218,973
Total endowments	5,429,022	 4,863,565
Total net assets with donor restrictions	\$ 13,739,798	\$ 13,551,056

Net assets were released from donor restrictions by incurring expenses or the expiration of time satisfying restrictions specified by donors as follows for the years ending December 31:

	2023		2022	
Satisfaction of purpose restriction	\$	5,755,473	\$	5,880,505
Satisfaction of time restriction		658,488		1,081,552
Appropriation for expenditure		210,277		188,343
Total net assets released from restrictions	\$	6,624,238	\$	7,150,400

December 31, 2023 and 2022

Note 14. Endowment Funds

The Association's endowment consists of 36 individual funds established for a variety of purposes. The endowment includes both donor-restricted endowment funds and board-designated endowment funds. As required by U.S. GAAP, net assets associated with endowment funds, including funds designated by the Board to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of relevant law: The Association has interpreted the Commonwealth of Virginia enacted version of the Uniform Prudent Management of Institutional Funds Act of 2006 ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds, absent explicit donor stipulations to the contrary. As a result of this interpretation, the Association retains in perpetuity (a) the original value of initial and subsequent gift amounts (including promises to give net of discount and allowance for doubtful accounts, including promises to give at fair value) donated to the endowment and (b) any accumulations to the endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added. Donor-restricted amounts not retained in perpetuity are subject to appropriation for expenditure by us in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Association considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- a. The duration and preservation of the fund
- b. The purposes of the Association and the donor-restricted endowment fund
- c. General economic conditions
- d. The possible effects of inflation and deflation
- e. The expected total return from income and the appreciation of investments
- f. Other resources of the Association
- g. The investment policies of the Association

Return objective and risk parameters: The Association's objective is to earn a reasonable, long-term, risk-adjusted total rate of return to support the designated programs. The Association recognizes and accepts that pursuing a reasonable rate of return involves risk and potential volatility. The generation of current income is a secondary consideration. The Association targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. The Association has established a policy portfolio, or normal asset allocation. While the policy portfolio can be adjusted from time to time, it is designed to serve for long-term horizons based upon long-term expected returns.

Spending policy: Spending is first governed by donor stipulations associated with specific gifts with respect to both purpose and amount. Otherwise, the Association will appropriate for expenditure in its annual budget a maximum of 4% of the rolling average of the market value of the endowment assets over the preceding 12 quarters. There may be times when the Association may opt not to take the maximum spending rate but rather to reinvest some of the annual return. No distribution is permitted if the distribution would decrease the contributed principal of the respective component of the endowment fund.

December 31, 2023 and 2022

Note 14. Endowment Funds (Continued)

Endowment net asset composition by type of fund as of December 31, 2023 and 2022 was as follows:

	Without Donor Restriction		With Donor Restriction		Total	
2023						
Board-designated endowment funds	\$	2,288,750	\$	-	\$	2,288,750
Donor-restricted endowment funds Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor		-		3,271,758		3,271,758
Accumulated investment gains		-		2,157,264		2,157,264
Endowment net assets, December 31, 2023	\$	2,288,750	\$	5,429,022	\$	7,717,772
2022						
Board-designated endowment funds	\$	2,104,306	\$	-	\$	2,104,306
Donor-restricted endowment funds						
Original donor-restricted gift amount and amounts required to be maintained in perpetuity by donor		-		3,148,530		3,148,530
Accumulated investment gains		-		1,715,035		1,715,035
Endowment net assets, December 31, 2022	\$	2,104,306	\$	4,863,565	\$	6,967,871

Note 14. Endowment Funds (Continued)

The Association had the following endowment-related activities for the years ended December 31, 2023 and 2022:

	Without Donor Restriction		With Donor Restriction		Total
Endowment net assets,					_
December 31, 2021	\$	2,530,940	\$	5,825,292	\$ 8,356,232
Investment return: Investment income					
(net of fees) Net loss		78,465		178,276	256,741
(realized and unrealized)		(443,129)		(1,012,837)	(1,455,966)
Total investment return		(364,664)		(834,561)	(1,199,225)
Additions		23,018		61,177	84,195
Appropriation of endowment					
assets for expenditure		(84,988)		(188,343)	(273,331)
Endowment net assets,					
December 31, 2022		2,104,306		4,863,565	6,967,871
Investment return: Investment income					
(net of fees)		60,819		142,433	203,252
Net gain (realized and unrealized)		216,058		509,974	726,032
Total investment return		276,877		652,407	929,284
Additions		2,145		123,311	125,456
Appropriation of endowment					
assets for expenditure		(94,578)		(210,261)	(304,839)
Endowment net assets,					
December 31, 2023	\$	2,288,750	\$	5,429,022	\$ 7,717,772

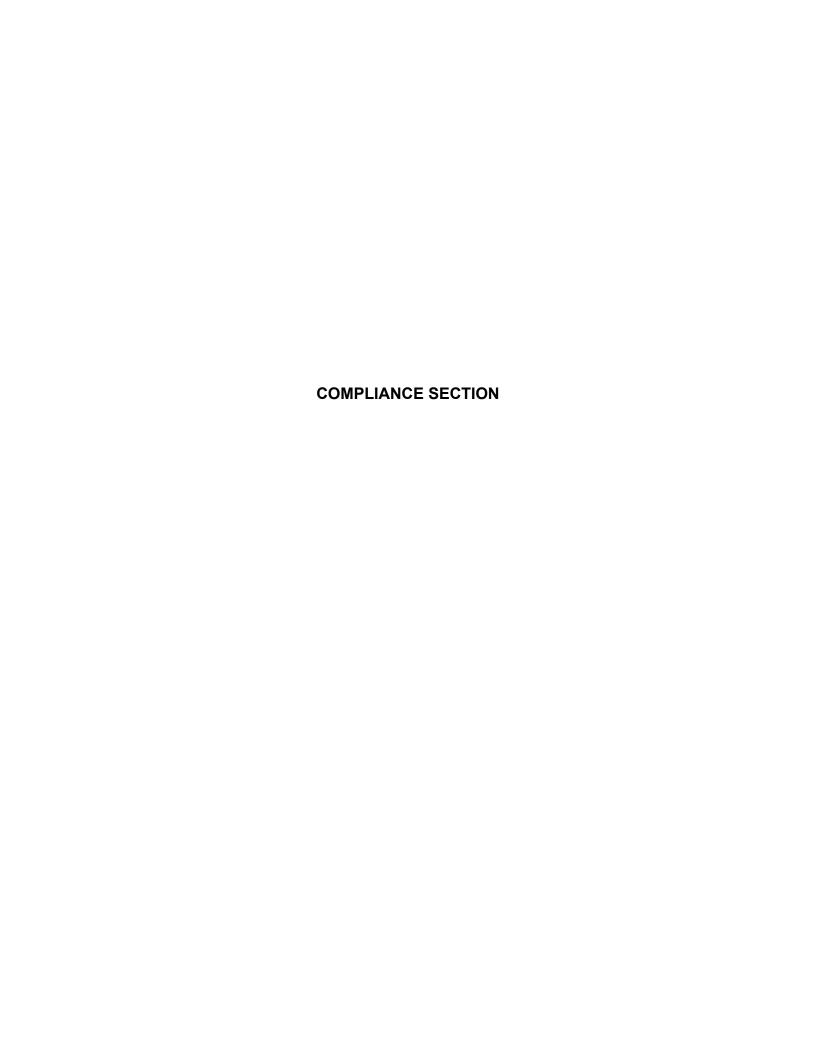

December 31, 2023 and 2022

Note 14. Endowment Funds (Continued)

From time to time, certain donor-restricted endowment funds may have fair values less than the amount required to be maintained by donors or by law (underwater endowments). The Association has interpreted UPMIFA to permit spending from underwater endowments in accordance with prudent measures required under law. At December 31, 2023 and 2022, the Association had no underwater endowments.

Note 15. Subsequent Events

The Association has performed an analysis of the activities and transactions subsequent to December 31, 2023, to determine the need for any adjustments to and/or disclosures with the audited financial statements for the year ended December 31, 2023. The Association has performed its analysis through June 24, 2024, the date the financial statements were available to be issued.

Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

To the Board of Directors Young Men's Christian Association of Greater Richmond Richmond, Virginia

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to the financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Young Men's Association of Greater Richmond (the "Association"), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 24, 2024.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Association's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

cbh.com 30

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Report of Independent Auditor on Compliance for Each Major Federal Program and on Internal Control over Compliance Required by the Uniform Guidance

To the Board of Directors of Young Men's Christian Association of Greater Richmond Richmond, Virginia

Report on Compliance for Each Major Federal Program

Opinion on Each Major Federal Program

We have audited the Young Men's Christian Association's (the "Association") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of the Association's major federal programs for the year ended December 31, 2023. The Association's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Association complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2023.

Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* ("Uniform Guidance"). Our responsibilities under those standards and the Uniform Guidance are further described in the *Auditor's Responsibilities for the Audit of Compliance* section of our report.

We are required to be independent of the Association and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of the Association's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Association's federal programs.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Association's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and, therefore, is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Association's compliance with the requirements of each major federal program as a whole.

cbh.com 32

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and
 perform audit procedures responsive to those risks. Such procedures include examining, on a test basis,
 evidence regarding the Association's compliance with the compliance requirements referred to above and
 performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Association's internal control over compliance relevant to the audit in order
 to design audit procedures that are appropriate in the circumstances and to test and report on internal
 control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing
 an opinion on the effectiveness of the Association's internal control over compliance. Accordingly, no such
 opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the *Auditor's Responsibilities for the Audit of Compliance* section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Young Men's Christian Association of Greater Richmond Notes to Schedule of Expenditures of Federal Awards

Year Ended December 31, 2023

Note 1. General

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") presents the activity of all Federal assistance programs of the Young Men's Christian Association of Greater Richmond (the "Association").

Note 2. Basis of Accounting

The accompanying Schedule is presented on the accrual basis of accounting, whereby government grants are recognized when earned and expenses are recognized when incurred, which is described in Note 1 to the Association's basic financial statements. The information in this Schedule is presented in accordance with the requirements of the Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards. Therefore, some amounts presented in this Schedule may differ from amounts presented in, or used in the preparation of, the financial statements.

Note 3. Use of Indirect Cost Rate

The Association did not elect to use the 10% de minimus cost rate.

Note 4. Subrecipients

The Association has not contracted or made awards to any subrecipients.
